CPMC Apartments

If you are scheduled for surgery at CPMC, you may call ahead and put your name on a "waiting" list for an apartment. \$50.00/day, first come first serve. These are owned by the hospital, and located right close by CPMC. The availability of these apartments is extremely limited. One advantage is they are extremely reasonable and very close. An extreme disadvantage is not knowing until the day before surgery whether or not the apartment is available! Might still be worth a try. When you arrive at "pre-admitting" ask at that time availability of apartment. Aida Moss, 415-600-3251
